TRASH & TREASURE

All washed up – wonders or waste? What can you find on the beaches of Koombana Bay? Search for hidden treasures before creating 'gems' of your own to take home.

TREASURES IN THE TROPICS

Have you found Nemo? Did Dory forget where she lives? What on Earth is an Anemone? It's time to go Tropo!!!!

OCTOPUS OBSESSION

They can squirt out black ink and have more brains than you can think! They have a beak like a bird, now that is absurd.

TURTALLY AWESOME SHIPWRECKS & PIRATES

Ninja Turtles Welcome!

Arrrrr me hearties!!!! Come walk the plank with us. Koombana Bay is not only a place for dolphins, but shipwrecks too, maybe there's pirates, or is that just you? Come along and dress up as your favorite pirate and we will have fun walking the plank and digging for treasure.
