Did you know that the Bunbury Dolphin Discovery Centre is a not for profit community group? Our focus is conservation, education and research, where tourism revenue is used to cover operational costs and our research, conservation and rehabilitation projects. We are environmentally friendly using a solar power system, avoiding single use plastics, using green chemicals, recycling, sourcing locally and supporting the conscious coffee drinker philosophy. We are very proud of our Advanced Ecotourism Accreditation and the fact that the Dolphin Discovery Centre is recognised internationally as a leader of ecologically sensitive Dolphin & Marine interactive experiences through our conservation, ecotourism, education & research programs.

Some of our past and present projects include;

- Propagating corals and seeding the Artificial Reef off Bunbury
- Clown Fish and Seahorse Breeding Program
- Rescue, Rehabilitation & Release of marine turtles
- Bottlenose Dolphin Research
- “Reel it in Bins” Fishing Line Bins situated at boat ramps locally
- Whale & Dolphin Stranding Response
- Dolphin Entanglement Rescues
- Marine Mammal Observation during construction projects
- Community & School Education Programs

You can support our Conservation, Education and Research activities by:

- Donating to the Bunbury Dolphin Discovery Environment Fund (tax deductible)
- Bequests
- Sponsorship
- Adopt a Dolphin a Turtle or a Stable of Seahorses
- Volunteering
- Participating in our tours
- Becoming a regular visitor to our cafe
- Holding functions at our facilities
- Encouraging your networks to visit and support the DDC
